

Windsurfing Camp Novigrad powered by Tri Strijele

Windsurfing center Novigrad starts its first season of windsurfing camps in Istria, Novigrad (Autocamp Mareda). The windsurfing school is intended for children and adults, individuals and groups, beginners and professionals, and everyone else who wants to spend an active and quality vacation and have some fun!

All you need to bring is some good cheer and a wish to enjoy the sea, and you will rule the wind and the waves on your very first day of courses.

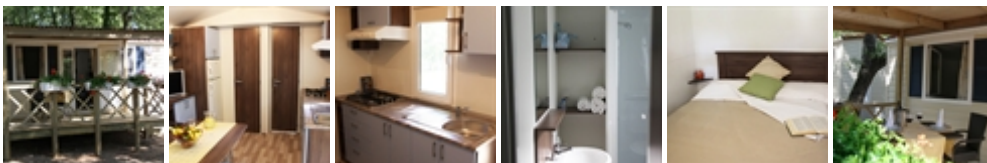

There are two types of camp: two-day weekend camps and five-day camps, but if you don't like any of the arrangements, feel free to contact us and make an arrangement more to your liking!

You can choose between accommodation in tents,

or nicely outfitted caravans.

Your new windsurfing camp at Novigrad includes all the equipment you need, 90 minutes on water with an instructor each day, as well as a professional photo camera shoot to take home as a memento of the wildest vacation you ever had.

Anyone can learn the basics of windsurfing on the very first day with our expert instructors. With the wind at your back, the sail will take you into a new experience of the sea, sun and nature.

Windsurfing center Novigrad at camp Mareda is the best place to start enjoying the waves and the wind of your precious vacation time.

The center owns gear for all ages and builds.

We're eagerly anticipating all new students, who automatically become members of the windsurfing club "Tri Strijele" from Zagreb.

Finally, we'd like to point out that at the start of September there will be a recreational competition; everyone who wants to have some fun is invited to join, and we'll mark the occasion with a windsurf party!

Fun and enjoyment are guaranteed.

Come as a beginner, go home as a surfer!
